Theme

“Science for the People and the People for Science”: Theme of celebrating National Science Day announced by the Department of Science and Technology, Union Government of India.

Outcome

National Science Day 2019, themed around “Science for the People and the People for Science” was celebrated. Dr. Uday Kumar Khan delivered a talk on the theme topic. He mentioned that “Science for the People” advocates for science that tackles social issues and critiques its own biases. Therefore science shouldn't exist in a bubble, but serve the public good. He also added that the "People for Science" concept emphasizes public engagement with science. It highlights the need for scientific literacy and public support for scientific progress. Both sides stress the two-way street between science and society. The Department of Physics published its wall magazine Physica 2019 in presence of Principal.
