Since there are only two full-time teachers in the department, the routine could cover at most 3 classes per week to all three subjects for Semester -I, to two subjects for both Semester-III and Semester-V and at least 2 classes per week to the remaining subjects. Until the classes for Semester-I begin, Semester-I classes scheduled for the department's senior professor TKB could be used for Semester-III and Semester-V at his convenience. Students are requested to follow their respective Class WhatsApp Groups for their class links and other information. The time slots for the classes in the time schedule are subject to changes depending on the students' flexibility of online data.

Department HOD will be engaged in a Faculty Development Program during 15 – 28 September, 2021 and his scheduled Sem-I classes over 2:30pm to 3:30pm are allotted to Sem-III towards their CC-5, GE-3 and CC-5 papers over the alternate days, and those scheduled over 3:30pm to 4:30pm are allotted to Sem-V towards their CC-12 and DSE-2 and remedial class over the alternate days until the regular classes for Semester-I begin.
