Programme Details:

The Department of History had arranged a Visit the Indian Museum, Kolkata for the students of Semester-III Honours & General for their SEC paper on 19.12.2018. This visit is an indispensable part of their study as our department has opted for Skill Enhancement Course (SEC) with the paper entitled **Archives & Museums in India**. The students of the department have thus got an opportunity to get practical knowledge regarding museum management, preservation, exhibition & collection of objects etc.

Outcome:

1. The students were introduced about the concept of National Museum.
2. They witnessed with Historical past.
3. They came to know how to keep artifact preserved in Museum.

Impact:

1. Interest will grow among our students for preserving artifacts.
2. They will have become sensational about historical past and its importance.
