Programme Details:

The Department of History arranged an excursion to Rajgir in the Nalanda district of Bihar for the Students of Semester-III Honours for their SEC paper from & on 27-11-2019 to 30-11-2019. This visit is an indispensable part of their study as our department has opted for Skill Enhancement Course (SEC) with the paper entitled **Archives & Museums in India**. They also witnessed nearly 800 years old remains of artefacts at the Nalanda Archaeological Site which was plundered and destroyed by Turkey invaders.

Outcome:

1. The students were introduced about the concept of archaeological site.
2. They witnessed with 800 years old Historical past.

Impact:

1. Interest will grow among our students for preserving artifacts.
2. They will have become sensational about historical sites and its importance.
