Action Taken Report on Students' Feedback for the session 2018-2019

Students' feedback has a significant contribution for enhancing the quality and the betterment of student-learning experiences and campus life. Considering the importance of students' role in assessing the relevance of the curriculum and campus facilities, all the departments of the college have collected the feedback from the students

Their responses help the institute to understand what the students expect from the departments/ college office in particular and the institution in general. The feedback has been collected on the basis of the following parameters:

- 1) Scope , extent and applicability of the syllabus and its relevance.
- 2) Teaches' delivery and completion of the syllabus in the classroom.
- 3) Other academic/Non-academic support available in the Campus.
- 4) Infrastructural facilities such as standard of class rooms, availability of purified drinking water, internet Wi-Fi.
- 5) Standard of library and laboratory facilities available.
- 6) Sports and recreational facilities available
- 7) Availability of Computers, Printers.
- 8) Availability of ICT class rooms and scope of IT skill education.
- 9) Demand for job-oriented training programmes (also add-on courses).
- 10) Specific demands /needs of a student.

The feedback was collected through MCQ questionnaire. The responses have been analysed by the IQAC of this college through Pie charts for better understanding of the satisfaction level of the students and their demand for the specific needs(if any).

Actions Taken: For the academic session 2018-19, based on the students' feedback the college Governing Body(G.B.) was recommended to sanction sufficient funds to buy a good number of text books (CBCS) for the College library, Computers and Printers and the wooden Benches for the class rooms.

The necessary actions are also taken to strengthen the quality of teaching-learning and to look for opportunities to enhance the teaching-learning ambience of the college. In this context the institute arranged job-oriented training programmes organised especially by the Placement Cell. Institute arranged career-guidance and soft/life skills development programmes. IQAC has also taken resolution to increase the number of class rooms and increase the capacity of existing The Computer Laboratory in the near future.

The feedback collected was communicated to the affiliating university (i.e. The University of Burdwan).

The action taken report was communicated to the college Governing Body(G.B.) and same was approved by the G.B.
