

NOTICE

A Departmental Seminar entitled “*Mendeleev periodic table and Atomic Structure*” will be organized by the students and teachers of the Department of Chemistry on 17.02.2020 at Room No. 07 from 11:30 a.m. to 01:30 p.m. to commemorate the International Year of the *Periodic Table (150th anniversary, 2019)*. All the students and teachers of the Department of Chemistry are instructed to participate in the Seminar on that day.

Report of the Departmental seminar held on 17.02.2020

The Departmental seminar entitled "*Mendeleev periodic table and Atomic Structure*" by the *Department of Chemistry* was organized on 17.02.2020. A total number of fifty one (23) students (B. Sc. SEM-I,III and V), four internal faculties (Dr. Sucheta Joy, Dr. Rabiul Alam (HOD), Ms. Subhra Dholey and Mr. Tanmoy Pandit) have attended the seminar. Our respected Principal sir, Dr. Prasanta Bhattacharyya, was also present on that event and delivered a talk to encourage the present students. This was followed by two lectures by Power point presentation.

Inagural talk: Dr. Prasanta Bhattacharyya (Principal)

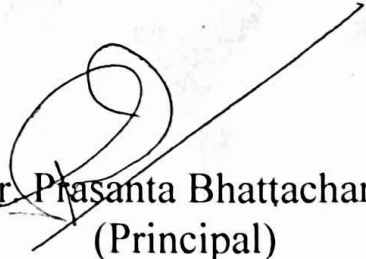

List of the lecture presentations are listed below:

Lecture - I: "*Mendeleev periodic table*" by Dr. Rabiul Alam

Lecture - II: "*Atomic Structure*" by the students of SEM-I Chemistry (H) students
