Date: 5th November, 2022

Time: 12:00 PM

Target Group: Students of Semester I and III (Hons.)

Number of Member present: 29 (Twenty Nine)

Report:

On November 5, 2022, the halls of Microbiology department buzzed with excitement as they hosted the quiz competition. Open to both 1st and 3rd semester students, the event saw eight enthusiastic teams, categorized as Group A, Group B, C, D, E, F,G, and H, vying for the coveted title. Each team comprised three members, their minds brimming with knowledge gleaned from their microbiology studies.

Departmental teachers donned the hats of quiz masters, meticulously crafting questions that encompassed the diverse and fascinating world of microbiology. From the intricate workings of microbes to their crucial role in various ecosystems, the questions challenged the participants' understanding and analytical skills. The atmosphere crackled with intellectual energy as teams conferred, debated, and buzzed in with their answers, their enthusiasm palpable throughout the competition.

After a series of closely contested rounds, Group B (Asmita, Nabamita, Anwasha) emerged victorious, their combined knowledge and teamwork proving to be the winning formula. Group D (Argha, Souvik, Pritam) and Group A (Smriti, Akash, Arghya) followed closely behind, securing the runners-up and second runners-up positions respectively. The competition culminated in a prize distribution ceremony, where the winners were felicitated for their outstanding performance.

Outcome:

More than just a competition, the quiz served as a platform for students to showcase their knowledge, foster teamwork, and develop a deeper appreciation for the field of microbiology. The event's success was a testament to the dedication of the Microbiology Department and the active participation of the students, leaving a lasting impression on all involved.

Feedback:

Good response received from the students. They participated in the competition with joy and utmost interest.
