## World Environment Day

Students of Semester II and IV (Hons.)

Department of Microbiology

Rabindra Mahavidyalaya

Champadanga, Hooghly

**Venue:** Department of Microbiology Room No. 36

**Date:** 5<sup>th</sup> June 2023

**Time:** 2:00 PM

**Target Group:** Students of Semester II and IV(Hons.)

**Number of Member present:** 20(Twenty)

### **Report:**

We have celebrated the World Environment day on 5<sup>th</sup> June, 2023 in our Microbiology Department in room no. 36 at 2:00 PM. The faculty member of this Department Mr. Nayem Ahmad Khan was delivered a speech about the importance of this day celebration. Total 17 (seventeen) students, 8 semester II and 9 semester IV students along with 2 (two) faculty member and one Non-Teaching Staff attends this Programme.

### **Outcome:**

The theme for World Environment Day 2023 (June 5) is solutions to plastic pollution under the campaign #BeatPlasticPollution.

The primary objective of World Environment Day is to raise awareness about environmental issues. World Environment Day aims to encourage students to take action towards protecting the environment. Led by the United Nations Environment Programme (UNEP) and held annually on 5 June since 1973, World Environment Day is the largest global platform for environmental public outreach and is celebrated by millions of people across the world. Good learning outcomes focus on the application and integration of the knowledge and skills acquired in a particular unit of instruction

### **Feedback:**

Get good response from students. They celebrate the day with great interest.
