Number of Member present: 20(Twenty)

Report:

We have celebrated the **World Hepatitis day** on 28th July, 2022 in our Microbiology Department in room no. 41 at 2:00 PM. The faculty member of this Department **Prof. Nayem Ahmad Khan** was delivered a speech about the importance of this day celebration. Total 19 (Nineteen) students, 8 semester II and 11 semester IV students along with faculty member.

Outcome:

The purpose of these programme students should know about this Day

The date of 28 July was chosen because it is the birthday of Nobel-prize winning scientist Dr Baruch Blumberg, who discovered hepatitis B virus (HBV) and developed a diagnostic test and vaccine for the virus.

Feedback:

Get good response from the students. Students celebrated the day with joy and interest.
