## World Planting Day celebration on 21/03/2023

An awareness rally was organized on 21/03/2022 by **Nature's Club** in collaboration with **NSS units** of College to motivate students and local people regarding afforestation. The aim is to inculcate the idea of possible effects that have arisen due to cutting of trees.

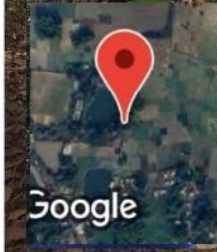

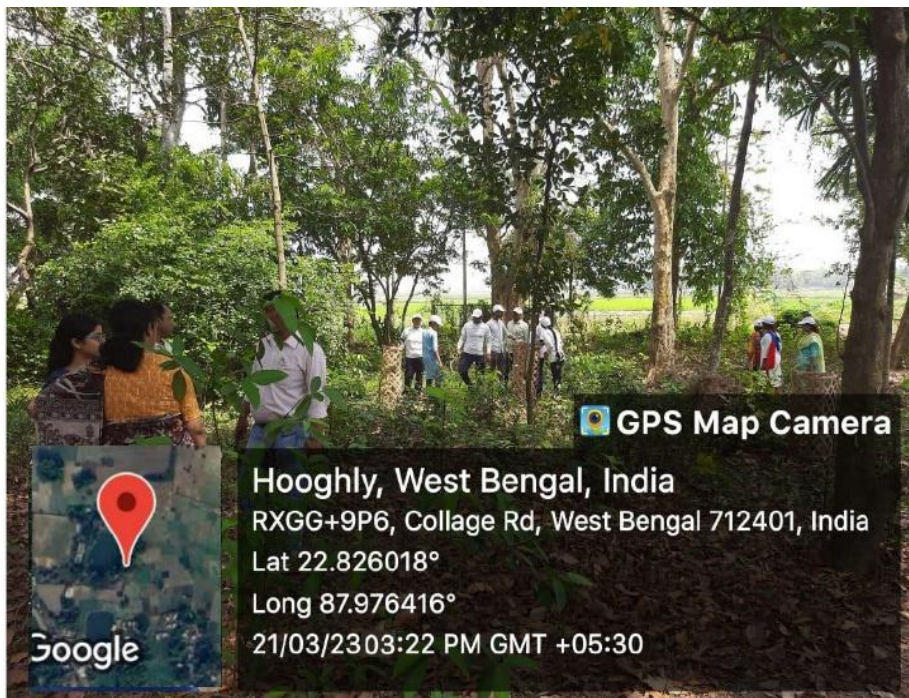

### Outcome of the practice:

A positive response was noted as students prepared different eco-awareness related posters and exhibited them and focus on the theme of protecting trees in order to establish 'Forest and health'.
