on

WORLD TUBERCULOSIS DAY

Students of Semester II and IV(Hons.)

**Department of Microbiology
Rabindra Mahavidyalaya
Champadanga, Hooghly**

Venue: Department of Microbiology Room No. 37

Date: 24th March, 2023

Time: 2:00 PM

Target Group: Students of Semester II and IV(Hons.)

Number of Member present: 20(Twenty)

Report:

We have celebrated the **World Tuberculosis day** on 24th March, 2023 in our Microbiology Department in room no. 37 at 2:00 PM. The faculty member of this Department **Dr. Joydip Ghosh** was delivered a speech about the importance of this day celebration. Total 18 (Eightteen) students, 8 semester II and 10 semester IV students along with 2 (two) faculty member.

Outcome:

The purpose of these programme students should know about this World TB day

Each year, we recognize World TB Day on March 24. This annual event commemorates the date in 1882 when Dr. Robert Koch announced his discovery of Mycobacterium tuberculosis, the bacillus that causes tuberculosis (TB).

Feedback:

Get good response from the students. Students celebrated the day with joy and interest.
