## **Action Taken Report of IQAC**

### **Session 2019-2020**

1. For proper beautification and maintenance of the environment friendly, campus, the college authority submitted site plan to the SDO office and conducted several meetings with the District Engineer and the SDO but neither any fund was allotted nor any sanction from their end was granted. Ultimately, the college authority decided to carry out the project independently, utilizing college own fund.
2. The College authority proposed to carry out some extended activities like agriculture and pisi-culture in its land outside the main campus. Accordingly, they met the Vice-Chancellor of Burdwan University and Rani Rashmoni (Green) University for building extended University campus so as to develop the students of the local community.
3. Inter-school cultural competition was organized by the college to maintain liaison with the students of neighboring schools which ended successfully with award giving ceremony.
4. One week workshop on spoken Sanskrit has been organized by the Institution in the Department of Sanskrit and in collaboration with been Sanskrit Bharati. This program is organized by the college each and every year as Sanskrit Week.
5. The Natures club organized 'Aranya Saptaha' during where rare species of plants and orchids were collected, trees were planted and seminars were organized on Eco-awareness and conservation and utilization of water resources.
6. Extended programs outside the college campus was organized by the Womens' Cell where health and hygiene related equipment's (items) were freely distributes. A Vending machine was installed inside the women's Cell Room.
7. To enhance the computer skill amongst the students, the college authority purchased several computers (desktops) during the academic session.
8. Apart from the above activities, the routine activities were also carried out viz departmental Seminars, workshops, faculty exchange programs, observing important dates etc.
