4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipment etc.

The College and its IQAC engage the Sub-Committees like IT Sub-Committee, Routine Sub-Committee along with the Academic Committee in order to identify needs for a Wi-Fi enabled campus besides the inbuilt robust computer network with inter-communication systems of Emails, Google Drive and WhatsApp groups. Provisions in the financial budget were provided for purchasing computers and IT/sound systems. The purchase sub-committee followed necessary steps towards purchasing the required equipment viz., computer aids and desktop/laptops facilities and etc. The departmental teachers conducted their classes with the aid of their departmental laptops and some projectors and white screen boards (for a few departments). Their facilities are gradually increased and in the academic session 2022-23, and a budget of Rs. 11,92,000/- was allocated for facilitating the different departments. Prior to the current academic session, sufficient arrangements have been made to develop the infrastructure and physical facilities for teaching-learning process. The Library and Laboratories have also been provided with a budgetary funds of Rs. 3,50,000/- and Rs. 80,000/- respectively for this year to purchase required books, equipment including furniture and to carry out their recurring revenue expenses. Though the development is going on but still to achieve the desired target and excellence more funds are required.
