Our Mission

Vimuktasya Vimuchyate

Our Vision

Making an Enlightened Informed and Confident Local Community

Founded in 1971 on the birth–centenary of Rabindranath Tagore, Rabindra Mahavidyalaya stands as a landmark of community–driven higher education, bringing academic opportunity and social empowerment to the rural heartland of Champadanga.

Champadanga, an affluent village of Tarakeswar block in the district of Hooghly, is a very famous hub of good trade and commerce. Our college is situated by the side of Old Benaras Road, also known as *Auhalyabai* Road, and it passes through Champadanga as it goes past our college too. The locational position of the college is about 20 km east of *Arambag* and 8 km west of Tarakeswar. The place is well-connected to Kolkata and Howrah through a network of bus-routes and railways.

From very early on, Champadanga had a steady economy based on the opulent vegetation of the area. But the local people continued to miss out on higher educational opportunities. Fortunately, it was in 1961 and on the memorable birth-centenary of Rabindranath Tagore that a group of social workers, businessmen and educationists of the locality decided to set up a Degree College with a dream of bringing higher education to the doorstep of the locals. For this purpose, they formed a Preparatory Committee with the following members - Prasad Chandra Mandal (President), Nityananda Adhikari (Secretary from inception up to 04.11.1971), Prof. Amarendranath Adak (Secretary from 05.11.1971 till the end), Nandalal Dutta, Panchkari Pal, Prankrishna Mondal, Baidyanath Dutta, Sukdeb Dutta, Amiya Kumar Gupta, Ajit Kumar Maji, Sk. Answar Ali Middya, Santimohan Roy, Ramsingha Pal, Ramen Maitra, Lalitmohan Hazra, Sk. B. J. Naskar, Sk. Goni Middya and Kashinath Mondal.

From then on, it took a few years to select a suitable place for the making of the college building. At that time, Netai Charan Hazra and his wife Phelubala Hazra jointly donated a princely sum of Rs. 20,000 along with 307 'Sataks' of land by the east side of the Old Benaras Road, about 1.5 kms away from the Champadanga bus stop. A great number of persons hailing, from different sections of the local society, also came forward with their invaluable donations and timely help. A two-storey building on the northern side of the big pond of the donated area was built under the supervision of the Preparatory Committee. Finally, our college 'Rabindra Mahavidyalaya', affiliated to the University of Burdwan, started its formal journey on and from 8 November 1971. We heartily remember all those founding fathers, social workers, educationists, businessmen and a host of well-intended persons for their honest contributions in setting up this college and fulfilling their vision of making an enlightened, informed and confident local community a reality.

Initially, only eight students were admitted to the Pre-University Course and twenty-five students to the B.Com Pass Course. The official status of the institution was that of an undertaking college and the teachers and the non-teaching staff did not get their salary at this early stage from the Government. It was only in lieu of a mere 'pocket allowance' that they had agreed to the great task of running the new-born college with utmost sincerity.

It was only in the academic session of 1972-73 that the B.A. courses in the Pre-University and Degree level were started. In the decade of the `80s of the preceding century, a steady inflow of funds in the form of various monetary aids granted to this institution either by the State Government or by the University Grants Commission or by similar such agencies made a fast-paced development of its different wings possible. After five and a half decades since its start, the college now may boast of a pretty long list of assets to its credit, viz. seven big or fairly big buildings, two new buildings, a Smart Classroom cum Auditorium, a fairly spacious Library with a Reading Room, a beautiful playground, separate courts for playing basketball and badminton, cycle-sheds, canteen, a multigym, potable water system with cooler including a '*Jalasatra*', adequate toilet facilities for both boys and girls and many other such things. The lush green backdrop and a big pond in the middle with thickly foliaged shady trees along its embankment truly evoke the bygone charms of a pastoral setting.

The long-cherished dream of the locality has become a reality. The College has now a student population of nearly two thousand and they are offered quite an impressive list of 19 subjects to choose their courses of study from and that too for a 4 Year or 3 Year Major following the new curricular implementation of NEP CCFUP 2020 by the University of Burdwan. They are also provided with other academic facilities like a Computer Laboratory, Computerized Library Facility, a Smart Classroom cum Auditorium, etc. for their overall academic benefit. In the arena of higher education of the district, the students of Rabindra Mahavidyalaya, mostly hailing from the local peasant, weaver and artisan communities, have made significant marks are able to make glorious marks at various levels of University Examinations and other competitive tests and still higher levels of IITs, IISERs etc. and thereby they have put their Alma Mater very high on the scale of excellence. However, in recent times the College has to settle for the grade 'B' as part of the third cycle re-accreditation carried out by the National Assessment and Accreditation Council (NAAC). But such moderate grading has its positive effect on us as well. This has only strengthened our zeal for doing for better in the coming days.

VISION, MISSION AND OBJECTIVES

VISION

"Making an enlightened, informed and confident local community" is the vision of our college which truly enshrines a collective aspiration of an essentially rural populace that dreamt of education as a viable means of social progress. Tagore had his vision of a cosmopolitan brotherhood based on a steady exchange of educational means and cultural values between India and the rest of the world and it materialized in the birth of Visva Bharati. Our small college with all its myriad aspects of rural backwardness in a way truly follows in the path of Rabindranath. As an agency of higher education, it ensures advancement and the benefits of enlightenment so that the people that live in and around Champadanga may gain into confidence and may try to be at par with other, more advanced sections of the society known for their greater quantum of achievement.

MISSION

The Mission of the College, "*Vimuktasya Vimuchyate*" is taken from the ancient text of "*Kathopanishad*". It is quoted from original Sanskrit denoting a Karmic notion of work as the path towards emancipation. The Vision as a greater goal is set in tune with this stated Mission: Making an Enlightened, Informed, and Confident Local Community. The essential ethos of "Karma" or work as an ingrained value of the Indian Consciousness is followed as the concept of gradual upliftment of the human condition and the local communities have only naturally become the target society for such implementation.

The administration remains keenly aware of the Mission and Vision and it tries to take measures towards inculcating the values of coordination and cooperation deemed central for cohesion and interfacing of the institution with its local community. Knowledge applied and gained through collaboration may render our Mission truly authentic and therefore in line with our ultimate Vision.

OBJECTIVES

- To enhance learning through effective use of teaching aids and technology.
- To respond to the academic and societal needs of students.
- To enhance institutional excellence through sustained academic progress.
- To equip students with skills for employability and future growth.
- To foster logic, rationality, and scientific temperament for institutional academic goals.
- To ensure a ragging-free and harassment-free ambience and work-culture.
- To work for gender equality and women empowerment.
- To cultivate Cross Cutting areas for development of inter-disciplinary knowledge.
- To promote digital learning within and beyond the syllabus.
- To maintain an eco-friendly, sustainable campus through green institutional practices.
- To strive for excellence in the sporting arena.
- To expand cooperation through MoUs and active institutional community participation.

General Information

- According to the guidelines framed by the University of Burdwan, a student must attend 75 % of classes to appear as a regular student in the End-SEMESTER examinations.
- Students having attendance less than the requisite percentage will have to pay a fine as specified by the institution at the time of filling up of forms.
- Students should keep the college campus clean.
- Students must not loiter in the corridors adjacent to class rooms.
- Every student should bring with him/her the institutional Identity Card and produce it when required.
- Students are directed to go through the College Website and the Notice Board regularly.

Registration & Enrolment

Every new student must fill up the registration form with prescribed fees generally in the month of August every year.

Form fill up for University Examination

Students are to fill up forms for Semester Examinations as per the time-schedule published by the affiliating University. Students will have to pay University Examination Fees as per the rates declared by the University which gets notified in due time. Students must obtain minimum qualifying marks in the Internal Examinations. They will also have to get a certain percentage of attendance. Otherwise, they will not be allowed to fill up forms for End-SEMESTER University Examinations. Any change in the system of form fill up also gets notified on time.

Admit Card

Students appearing at the Semester Examinations will collect their Admit Cards as per the notice before the commencement of examination.

General Information

Identity Card

Students are required to collect their Identity Cards duly signed by the Principal of the College. Students must keep Identity Cards with them while entering the College premises.

Journal/Newsletter

The students' magazine "Charoibeti" is being published from time to time for cultural and literary enrichment of the students of our college.

Educational Excursion

Students of this College may avail this opportunity once in a year. While some Departments arrange it as Extension Activity, tours for some others like Geography and Bio-Science Departments are organized as a part of their curriculum. Requisite fees as decided by the Departments must be deposited at the time of excursion. Students must submit their field record and collected specimen (if and when required by the Departments) with proper field data.

Campus Facilities

Library & Information Service

The Central Library of the College is rich in terms of collections. Updated till May 2025 it has more than 37115 books, many e-journals and e-books obtained through INFLIBNET N-LIST Programme, 2 printed journals, 7 magazines (Vernacular= 04; English= 03), 10 newspapers and useful documents on varied subjects pertaining to the streams of Arts, Science and Commerce. Some of the Departments have their Seminar Libraries. There are separate reading spaces for students and teachers in the Central Library. Presently, the library system is automated using Integrated Library Management System, named KOHA Library Automation Software (Version 23.11.03.000).

Services and Facilities of the Library include:

1. Computerized lending and borrowing of books using Barcode.
2. Study Corner with magazines and newspapers
3. Web-OPAC for accessing the bibliographical information of books beyond the campus 24x7.
4. Opportunity for going through syllabus modules and set of University question papers of current and previous years / PYQ in Website as well.
5. Open access facility is provided to the students of the College as a means of easy and direct scholastic transactions.
6. Opportunity for taking books against deposit money till the end of University Examination by the students

7. Institutional membership with the British Council Library, Kolkata and American Library, Kolkata availing 30 books and magazines, movie DVD (max 10) for a period of 21 days
8. Opportunity of internet resource through INFLIBNET N-LIST programme/ONOS.
9. Opportunity of lending and borrowing of books for ex -students/staff.

Virtual Classroom

With generous financial aid from the HED-WB, we have upgraded our educational technology by introducing a Smart Classroom-cum-Auditorium named Jyotirindra Bhavan. This new, state-of-the-art technology of simulation and smart technology helps the teachers augment the traditional chalk and talk method and be able to use part of the classroom wall as a virtual writing board. It would allow the teacher greater width and power to manoeuvre and bring in the audio-visual effect as an aid to teaching.
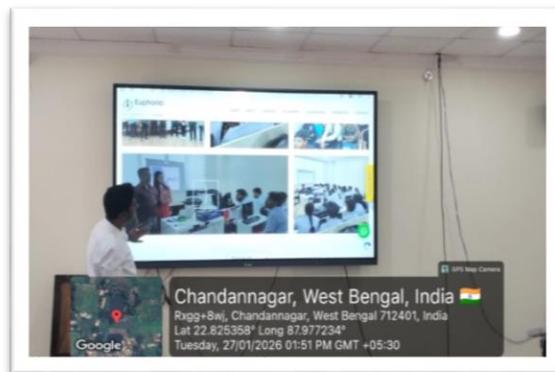

Laboratories

The College has got state-of-the-art laboratories with modern equipments deemed necessary for the teaching-learning process. There are six Departments in the institution – Botany, Chemistry, Geography, Microbiology, Physics and Zoology – with well-equipped laboratories while there are five partially equipped laboratories in some departments like Mathematics, Commerce, Economics, Physical Education and Defence Studies.

### Gymnasium Centre and Yoga and Meditation Hall

There is a 13-station Multi-gymnasium Centre in the college. Students and employees of the college may use the facility. In addition, a Yoga and Meditation Hall is there as a way of implementing the syllabic component of Yoga as prescribed for the Department of Physical Education and Sports. Such facilities, however, are also available for other students and teachers with help sought from the teachers and staff of the Department of Physical Education and Sports.

CELLS and CLUB

Career Counselling and Placement Cell

The college has a Placement Cell with a Placement Officer. When various agencies (Government and non-Government) inform our college about recruitment for services, training, apprenticeship etc., the Placement Cell properly notifies and guides the students about the matter and recruitment of many of our students have taken place through the agency of the Placement Cell.
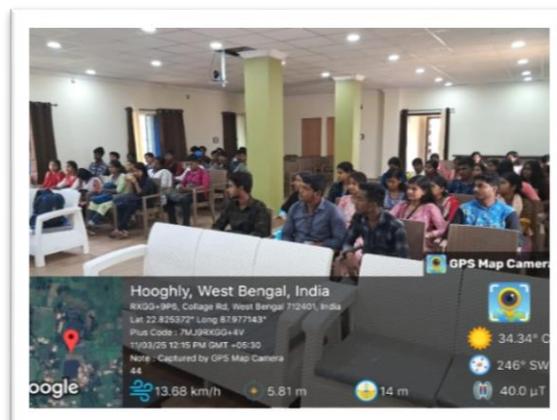

Grievance Redressal Cell

The main objectives and functions of the Cell in this college are hereunder:
1. Upholding the dignity of the college by ensuring strife-free atmosphere in the campus through promotion of cordial student-student relationship, student-teacher relationship, student- non-teaching staff relationship and teacher-non teaching staff relationship.
2. Encouraging the students to express their grievances/problems freely and frankly.
   The function of the Cell is to look into the complaints lodged by any student, judge its veracity and follow up according to the UGC and State guidelines. The Grievance Redressal cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach any member of the concerned Cell in person, or may communicate via dedicated e-mail or lodge complaint in the Complaint Boxes marked as so.

Women Cell

The Women Cell in the institution is set up to create awareness about gender equality, with a focus on women empowerment. The cell also looks into the matter and related issues of gender discrimination that often proves to be a bane in our social system. The Cell most often arranges for counselling of girl students

so that issues of concern, both social and individual, may be effectively addressed on a case-to-case basis. Separate complaint box, exclusively meant for girls, is placed by the Cell so that the affected party may reach out for help at her own convenience. To complement the system further, Helpline Numbers are widely circulated among the girl students by the members of the Cell. Moreover, there is ICC (Internal Complaints Committee) that looks into any case of sexual harassment of woman at their institutional workplace. In addition, a well-equipped Girls' Common Room, refurbished through Corporate Social Responsibility (CSR) funding, is being overseen by the members of this Cell for the exclusive benefit of the girl students.

Green Committee

Green Committee mainly works with a view to promote protection of nature and environment, especially of the College, encourages environment friendly behaviour and conducts awareness programmes and manages wastes, including E-Wastes. Students having some knack for nature and its up keep may join the Nature's Club when new membership is taken. Apart from this, students are also motivated in environment-related activities through their ENVS course curriculum. The Nature's Club takes care of the medicinal plant garden within the college and conservation of plants within the college campus. Only recently, the College has entered into a MoU with *Purbasha Eco Helpline Society*, Sunderbans to further augment the natural environment of the institution and the Green Sub-Committee is likely to play a more innovative and constructive role in this regard. It recommends policies for change in infrastructure by incorporating of solar lighting, instead of LED bulbs, tubes, etc.

STUDENTS' SUPPORT

Students' Council

Students' Council is a democratic forum of the students. Students are to come for leadership through election held every year. Students' Council plays a vital role in the smooth functioning of the college administration through its democratic right of representation in the Governing Body of the college. There are eight departmental secretaries including the General Secretary. Students' Council organizes events and functions like Annual Cultural Competition, Cultural Functions, Freshers' Welcome. The Council looks after and protects students' interest, creates healthy academic atmosphere, inculcates sense of duties among the students and promotes their accountability to the society. For now, however, the formation of the Students 'Council is awaited pending HED-WB order in this regard. As a result, in the last few years, like other colleges, we are having the Students' Union to play the role of Students' leadership in the institution.

Canteen Service

The College has a canteen within the campus which remains open during the college hours. The canteen provides hygienic and tasty food for the students and staff at affordable prices. It is run by a local Women's self-Help group with adequate subsidies given by the College.

Health Check-Up Unit

There is a Health Check-Up Unit in the college situated in the Ground floor of the Bio-Science Building. Primary health check-ups including weight and blood pressure monitoring can be done here under the care of a practicing homoeopath who happens to be one of the supporting staff of the College. Some basic medicines, ORS, Dettol and bandage are provided for the students along with an array of homoeopathic medicines for the students and staff. Arrangements for first-aid are also there for treating someone having met with any minor accident.

CONCESSION, STIPEND AND SCHOLARSHIP

Stipend for SC/ST/SA candidates

Students belonging to SC/ST and SA categories are entitled to get stipend as and when available from the government. They are requested to collect the application forms from the College office and are to submit the filled-up forms, counter-signed by the Principal, to the Block Development Office, Tarakeswar generally within two months from the commencement of classes.Specially abled students are also asked to contact the Block Development Office, Tarakeswar for their stipend immediately after the commencement of their classes.

Student Scholarships

Girl students may avail Kanyashree Scholarship. Minorities are offered scholarships especially meant for them.   The institution notifies about scholarships offered by different private agencies as per availability.

Scholarship	Eligibility Criteria	Annual Family Income Limit (Rs.)
SC, ST, OBC	All SC, ST and OBC students	2,50,000/-
SVMCM	HS 60% marks	2,50,000/-
NSP	HS 60% marks	1,00,000/-
Aikyashree	All minority Students	2,50,000/-
Chief Minister Fund	HS 50% marks	1,20,000/-

Travel Concession

Railway Travel Concession is available for outstation students intending to commute from different railway stations to Tarakeswar. For those who travel by

bus, arrangements for concession are also made. For Bus routes, concession cards, duly signed by the Principal, are to be obtained by the students themselves.

EXTRA CURRICULAR ACTIVITIES

National Cadet Corps (NCC) & National Service Scheme (NSS)

After the independence of India in 1947, NCC was introduced by the Government of India. Our College opted for NCC Programme for our boys in the senior division of the Army Wing. Girl Cadets are also included in our NCC

Company.

On the other hand, The Education Commission (1964-66) headed by Dr. D.S. Kothari recommended that students at all stages of education be associated with some form of social service. After several debates and discussions, the Union Education Ministry in 1969, with the support of University Grants Commission, launched the programme of NSS in the colleges.

Our college has arranged for NSS and NCC programmes. There are three units of NSS with three hundred students and one company of NCC. Students are encouraged to join either NSS or NCC, but in no case they will be allowed to join both the programmes.

Cultural Activities

Under the guidance of the Culture and Event Management Cell, the Students' Union organizes Freshers' Welcome, Annual Social, Annual Sports, Cultural Competitions, Basantotsav, Rabindra Jayanti, Baishe Srabon, Teachers' Day and other cultural programmes so that students may take part in different cultural activities according to preferences and combine pleasure – pursuits with academic and other related activities.

Games & Sports

The College offers extensive sports facilities to the students. Outdoor games include Football, Cricket, Athletics, Volleyball, Badminton, Basketball etc. Indoor games include Table Tennis, Carrom and Gymnastics. There is a multi-gymnasium in our campus for the use of the students.

INSTITUTIONAL POLICIES

Attendance

- ➢ Regular attendance is compulsory for every student of the College as per B.U. norms.

Specially Abled

- ➢ We follow government norms such as reservation for different social and economic categories for differently abled students at the time of admission.
- ➢ We ensure adherence to University norms in academic and other related businesses offering extra-time and writer (if needed) to such students who are accommodated in rooms on the ground floor during University Examinations.
- ➢ The Central Library allows differently abled students to be within the library with a companion and to take a greater number of books than usual in the lending facility.
- ➢ The Institution instructs the office staff to allow any one on behalf of the differently-abled students to perform all transactions with the office.

Environment

- ➢ We maintain greenery as part of the natural environment within the campus.
- ➢ We maintain prohibition of burning of plastic in the campus.
- ➢ Use of plastic cups in the canteen is not allowed.
- ➢ We encourage staff and students to reduce the use of plastics.
- ➢ We use both sides of a paper for print or xerox with suitable exceptions.
- ➢ We encourage all stakeholders to resort to electronic communications including application for leave.
- ➢ We let students know about the importance of conservation and protection of nature and environment.

Gender

- ➢ We nurture the culture of gender equality and empowerment.
- ➢ We maintain a separate complaint box for girl students for lodging complaints.
- ➢ We ensure wide circulation of helpline numbers among students, especially, the girl students for seeking help, if and when necessary.
- ➢ We ensure prompt action for all eligible students including the girl students to avail the Scholarships like SVMCM, Kanyashree, Aikyashree, MOMA (National), OASIS, Jindal (Non-Govt.) etc.

Inclusion

- ➢ We follow the updated reservation policy strictly at the time of admission so that students of different sections of society get their due entry. In this regard we ensure proper monitoring of schemes like the Students' Aid Fund, the fee waiver facility, stipend for SC/ST/SA candidates, scholarship for minorities, Kanyashree scholarship for girl students, scholarships offered by private agencies as a benefit to the meritorious though economically weaker students.
- ➢ We enable railway travel concession and bus concessions so as to facilitate students to commute at a lesser cost.
- ➢ We follow gender-neutral policies as a general norm within the College.

Anti Ragging Guideline

Our college is a ragging free zone. So, no such activities will be encouraged by the College authority which comes under the purview of Article no.3 of UGC regulation vide D. O. No. 1-15/2009 (ARC) pt.III, dt. 27th June, 2019 details of which as coming under the purview of offence are given below-
