There are 02 CCTV cameras installed for the purpose of monitoring and surveillances. At present (July, 2023) library holds a total of 36718 printed books according to the Accession Register (9.48% improvement during 2018-2023), 5079 printed journals (4.98 % improvement during 2018-2023), 3108 magazines (15.60 % improvement during 2018-2023) and 10 newspapers out of which 6 daily and 4 weekly. Inside the stack room, books are arranged according to Dewey Decimal Classification Scheme. Since 2016, the library has subscribed to various e-Resources through UGC INFLIBNET N-LIST programme, where users can have access to 6000+ e-journals and 799500+ e-books. Our library has active institutional membership of British Council Library from 2004-2005 and it provides online and physical access facilities to our member students and teachers.

Automated ILMS Koha software (Version 14.2) in our library that was installed in 2016 was upgraded to Version **23.11.03.000** in 2023 and hosted in the cloud as well. The library has been using almost all the modules of Koha among which the modules of **Cataloging, Patrons, Circulation, OPAC, Advanced Search and Reports** are fully utilized by the library except **Acquisition** and **Serial Control**. In 2023, our library has been providing Integrated Library Management System web enabled services for access to the Online Public Access Catalogue (OPAC) services from anywhere on 24x7 basis. Users can log in to their own accounts and manage it by changing passwords and personal details. They can check their borrowing details such as number of check-outs, due date of return, etc. The users get an alert message via registered mail regarding the Issue, Return or Book due. The entire library collection is entered into the database and barcoding of the library books was completed in the academic session 2023-24. Since the academic session 2018-2019, the library has been providing automated circulation services for the students only with barcode library cards and that was automated from 2022-23 for all the students, teachers, and staffs. [Web OPAC Link: <https://rmh-opac.kohacloud.in/>]

### Clarification between statement of accounts and purchase template:

For the session 2022-23, there is a mismatch between the receipt and payment for Central Library, RMV. The payment is made on cash basis of accounting. That is why we cannot show the received amount in the current session. During 2022-23 session, the amount of library fees received is adjusted by the unpaid amount of 2021-22 session.

## **6. Details of library usage by teachers and students during last academic year 2022-2023:**

After the COVID-19 pandemic situation, the central library strengthened the digital presence of the library through the website, virtual platforms, mobile applications and social network. The rmvonline portal was introduced during this period and the teachers, non-teaching staff, students, ex-students, retired faculty members of this college submitted their requisition slips through the rmvonline portal. The library provided some soft copies of few portions of the books, research articles and such other study materials through e-mail, and social and communication media (WhatsApp). Freely available e-book lending system was available throughout the entire academic session.

The statistics mentioned in the following table regarding the usage report (June, 22- May, 23) proves that all the patrons were immensely benefitted by the central library.
